FOOD BOX DELIVERIES!

Do you live in the 70125 zip code? We offer deliveries to those living in and near Broadmoor. If you live in the 70125 zip code ask about our delivery program to get your food box brought to your door!

This program is available due to our wonderful volunteers, we may not be able to accommodate all who are interested.

On June 1st 2024, We will begin recertifying all of our clients. This means that each pantry guest will need to bring proof of address and proof of income (dated in 2024) to ensure they are still eligible to receive assistance from the Broadmoor Food Pantry. We will also verify the number of people living in each household. Only ONE representative per household can receive assistance.

who we are:

The Broadmoor Improvement Association (BIA) leads a neighborhood-based response through mutual aid and community-led climate resilience to improve the quality of life in our area.

programs we're known for:

The Broadmoor Food Pantry - The Broadmoor Food Pantry serves those in need throughout Orleans Parish. The BFP is operated by the BIA in partnership with Broadmoor Community Church. Patrons may come to receive food from the pantry once a month. First time guests need to bring proof of residency in Orleans Parish and meet income requirements to participate regularly.

Social Services - The BIA connects those in need with social services and other resources, including support applying for the Supplemental Nutrition Assistance Program (SNAP) benefits. Contact the BIA at 504-249-5130 for support connecting with SNAP and other resources. We also offer low cost counseling on a sliding scale depending on income.

Broadmoor Community Gardens - Established officially 2020, Each of the three Broadmoor Gardens are accessible, equitable, and safe places for residents to learn to grow, sow and reap fresh food for the community.
